

**Wearing a mask is mandatory (if you do not have one, you may purchase one at the pharmacy located at the airport),**

**Make sure you have extra masks for your comfort during your entire trip,**

**Make sure your health and body temperature allow you to travel,**

**You must carry an affidavit stating that you do not suffer from any Covid-19 symptoms. Travel to some destinations may be restricted to limited purposes. Make sure you carry the proper "authorized purpose" affidavit**

**You must follow the social distancing rules at the airport (6 feet away between one another),**

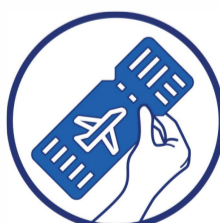

**Families and friends are not allowed inside the terminals, you must say goodbye outside,**

**You must follow the health rules, within the terminal and during your entire trip,**

**Make sure you wash your hands very often, either with soap in the lavatories or with hydro-alcoholic gel. Gel dispensers are available in the terminal,**

**Do not forget your boarding pass and passport.**
